The Healthcare Division of Techsynergies

APA

APA is the Single Vendor Solution for ALL your Information Technology needs.

Highlights

Partner in Horizon Blue Cross Blue Shield of New Jersey's Horizon's Health Connections program, providing broadband internet access to Horizon BCBSNJ participating physicians.

Misys EMR® Channel Partner.

Low cost PACS solutions.

MediKiosk™ technology to streamline patient registration.

APA doesn't sell hardware or software...we sell a Business Model with Predictable Cost and Guaranteed Performance.

- HIPAA-ready System Security
- Cutting edge technology from Intel®, Microsoft®, CISCO® and Misys®
- 24/7/365 Support

APA solutions include:

- Electronic Medical Records
- Practice Management
- Billing and Collection Services
- Microsoft® Office Products
- Accounting and Timekeeping
- Managed Internet Access

APA helps medical practices and healthcare providers migrate from paper to a complete digital environment.
